TERRITORIAL FAIR.

S. H. Knight Arrived Last Thursday and Billed the Town in Good Shape From Center to Circumference.

Last Thursday morning the advertising car of the 23rd annual territorial fair arrived in our town with Scott Knight in charge and as usual Scott had only been in town a few minutes until the natives knew there was something doing. While he was directing his assistants about the posting of bills in every available place he was talking fair to all he met, and as Scott is an auctioneer by profession, he knows just how to talk to the best advantage. In reply to questions asked by interested people he said, The fair this year will be much the largest ever given in the territory; the association is spending much more money this year than they did last and the interest being taken by the people of the territory is greater than it has ever been. The northern part of the territory will be there with an array of mineral and agricultural products such as has never been brought together in that region before and the Pecos and Mesilla valleys have promised a car load of fruit each, while other places in the southern portion will do equally well. While this is of great importance in advertising the territory and is really the first object of the exhibition, it is not all there will be to interest the thousands of people who will be in Albuquerque during fair week.

There will be a larger collection of sports and games during those five days than have ever been bunched into the same length of time anywhere in the southwest. These will include a big Carnival company provided with the latest plays; Bronco busting, Base ball, Races, dances every night and many other things we have not the time to mention here. In fact the person who fails to be in Albuquerque October 13 to 17th, will miss the opportunity of a life time.

Silver City Locals.

The fall cattle shipments from Grant will be considerably larger than usual.

Mrs. E. L. Woods has returned from Michigan where she had been spending the summer.

Miss Belle Gadde of this city is visiting her sister, Mrs. B. Shannon at Clifton.

John C. Cureton brought in 65 high grade Hereford bulls last week and disposed of the entire lot in a few days.

Herbert W. Dawson was in from Santa Rita last week attending to business matters.

J. J. Morrison has resigned the Santa Fe agency here. His successor has not been named yet.

Mr. and Mrs. J. S. Swift, former residents of this city are here from St. Louis. Mr. Swift still retains valuable property interests here.

Frank Jones and Frank G. Jones returned Friday from Los Angeles, where they had gone to attend the funeral of the late George D. Jones.

Mrs. Harriette Ray and little daughter Margaret who have been spending the summer here left last week for their home in Topeka Kansas.

Word has been received from Judge Parker that the special term of Grant county court will convene in this city November 2d.

The Grant County Telephone company last week extended its line to the new camp in Gold Gulch and now has several 'phones in operation there.

Mrs. E. M. Brumback and little daughter Lillian returned Saturday from a summer's visit to friends and relatives in Cincinnati.

There is talk of the Shamrock company moving their smelter from Pinos Altos to Silver City. Since the company has had its plant in operation it has been crowded with custom ores, necessitating an increased capacity, and before this improvement is made the management will consider the question of moving to a more convenient shipping point.

Ed. Merz and J. S. Fielder of Deming were Silver City visitors Saturday.

There is more doing in a mining way in Grant county at the present time than for two years past. Principal interest centers in the new Gold Gulch the population of which now numbers fifty and is daily increasing.

A town in Grant county that is making good growth is Central, situated close to the United States Military sanitarium at Fort Bayard. This is largely due to the rapidly increasing population of the post.

The advertising car of the Albuquerque Fair association was in this town last week and made the town gay with brightly colored printed matter. Quite a number of people from here will take in the Albuquerque festival next month.

P. B. Heather of Silver City was last week elected grand chancellor of the Knights of Pythias of New Mexico. Mr. Heather, T. W. Carter and S. H. McAninch were the representatives from here at the grand lodge session held at Alamogordo.

Rev. H. W. Ruffner, of the Episcopal church will leave during the week for the east to accompany his family home, who have been spending the summer with relatives.

Jack Marshall, a well known character in this section, was severely cut in the face by a razor in the hands of Eugene Thomas, a colored man, in an altercation at Central last week. The trouble was the result of a drunken quarrel. Marshall will recover but will be disfigured for life. Thomas is in jail awaiting the action of the grand jury.

The Silver City lodge of Elks had a pleasant social session Wednesday evening. The affair was in the nature of a surprise by the wives and lady friends of the members who assembled in the lodge room at the close of the business session and proceeded to show the Elks how to have a good time.
